As a Play Leader, you will be at the heart of our dynamic team, leading activities and ensuring all children, with Special Educational Needs and Disabilities (SEND), engage in safe, fun, and enriching play. This role involves directly engaging with children at our facilities, planning and executing a variety of recreational and educational activities.

About Entire Group:

Entire group's mission is to provide affordable, fully inclusive childcare provisions. The organisation is dedicated to making Special Educational Needs and Disabilities (SEND) provisions accessible and affordable for all families. By focusing on inclusivity, Entire ensures that every child, regardless of their individual needs or the resources they require, has equal opportunities to thrive in their educational and recreational pursuits

Entire Group is excited to expand its commitment to inclusion and child development with the opening of Stony Dean Camps. Our camps are designed to provide a rich array of activities that cater to all children. At Stony Dean Camps, we aim to create a transformative environment where children can thrive through engagement in sports, arts, and educational programs, all tailored to accommodate diverse learning styles and abilities. Our goal is for every individual to leave with cherished memories, new skills, and increased confidence, fulfilling our hope that Stony Dean Camps will become a cherished community where all children feel valued and empowered.

Key responsibilities:

- Activity planning and facilitation - organise and lead constructed play sessions that stimulate physical, emotional and cognitive development.
- Safety and supervision- provide a safe and inclusive environment for children to feel secure.
- Good communication and the ability to successfully liaise with parents and other staff.

Required qualifications:

- Experience working with children with SEND (An understanding of ASD)
- First aid trained
- Enhanced DBS check
- Safeguarding qualification

Why Join us?

- Impactful work - spend day to day making a significant difference in the lives of children with SEND.
- Supportive environment - Join a team that values inclusivity, support and empathy between all.
